

Tobania NV

We're Tobania, pleased to meet you! In 2014, Tobania – as a result of the merger of TOBIUS and SAGA Consulting Group - came on the scene as a new, fresh and ambitious IT player on the Benelux market. Now one of the most influential providers of ICT sourcing services, also holding a leading position in both Microsoft & open source solutions, and development of mobile, web, cloud & business apps, Tobania is the harbor of choice for over 550 IT experts.

Our solutions are widely implemented locally, regionally and nationally in the fields of banking, financial services, utilities, healthcare, manufacturing, government and social administration.
